

Colleagues, Aum & Namaskar

The Metropolitan Police Hindu Association (MPHA) is proud to be associated with the City Hindus Network and would like to congratulate them on their excellent work and achievements

The MPHA plays a valuable role within the Metropolitan Police Service (MPS) with the following aims and objectives since 2002:

- To work with the Hindu community to promote the MPS as an employer of choice.
- To promote better understanding of the Hindu faith, culture and customs within the MPS.
- To provide assistance to the MPS and our members through dialogue, representation, mentoring, welfare and support.
- Improving relations and confidence between the MPS and the Hindu Community.
- To provide a social network for all members of the MPHA through the provision of social and charitable events.

We look forward to working very closely with the City Hindus Network in the future.
